

Company Profile

A collection of surveillance cameras (including a dome and a bullet model) is positioned above a computer monitor. The monitor displays a 4x4 grid of video feeds from various cameras, showing scenes like city streets, crosswalks, and parking lots. The entire setup rests on a circular base with concentric orange and grey rings.

INTRODUCTION

UG Electronics

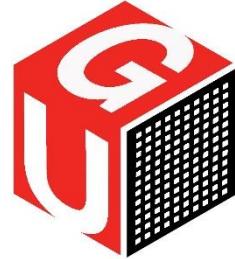

WHO WE ARE

Umfezi Investments (PTY)Ltd T/A UG Electronics is a 100% Swazi owned company, with its main offices/shop in Mbabane, Eswatini. The company specializes in Security (CCTV, Intercoms, Alarm Systems, Biometrics Systems, Gate Motors, Garage Motors, Technology (PC and Laptops, Networking)), and Safety (Fire Detection Systems, Fire Extinguisher and Fire Blankets) products and services.

Our mandate is to provide supreme quality products and services to all our clients. Our clients recognize our commitment & passion to deliver the highest quality work, on schedule and within budget. Stringent procedures are enforced at every step of every job as we continue our drive to improve performance and exceed client expectations.

More and more of our clients are turning to us for our distinctive ability to implement complex projects in a simplified way and serve as a reliable provider of knowledge-driven solutions for safety and entertainment. We seek to understand the client first; hence we are a "face-to-face" relationship-based company

VISION MISSION & OBJECTIVES

UG Electronics

OUR PURPOSE

OUR MISSION –

To form long-term relationships of value with our clients and partners by providing quality products and services and employing the best resources and latest techniques.

OUR VISION –

Is to be the leader in our Industry, by creating value added products and services that are recognized by our customers as key factors in their success. Our commitment is to continually earn our customers' loyalty through exceptional services provided by dedicated employees.

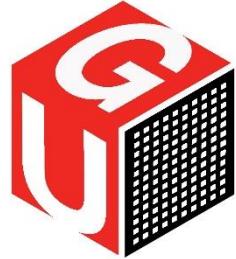

We will achieve OUR SHARED VISION by:

1. Focusing on providing solutions for our clients, not just selling a product.
2. Offering the latest technology and products.
3. Constantly searching and creating new products to offer our clients.
4. Being fully accountable for our own work.

OUR OBJECTIVE

UG Electronics aims to provide the highest possible standard of quality and service in the our industry, giving Clients the best satisfaction.
